

DBCK Students Satisfaction Survey under the guidance of NAAC

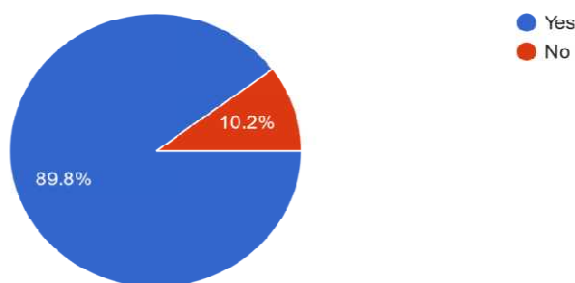

DBCK under the guidance NAAC is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought. Her/his identity will not be revealed.

Instructions to fill the questionnaire

- All questions should be compulsorily attempted.
- Each question has five responses, choose the most appropriate one.
- The response to the qualitative question no. 21 is student's opportunity to give suggestions or improvements; she/he can also mention weaknesses of the institute here. (Kindly restrict your response to teaching learning process only)

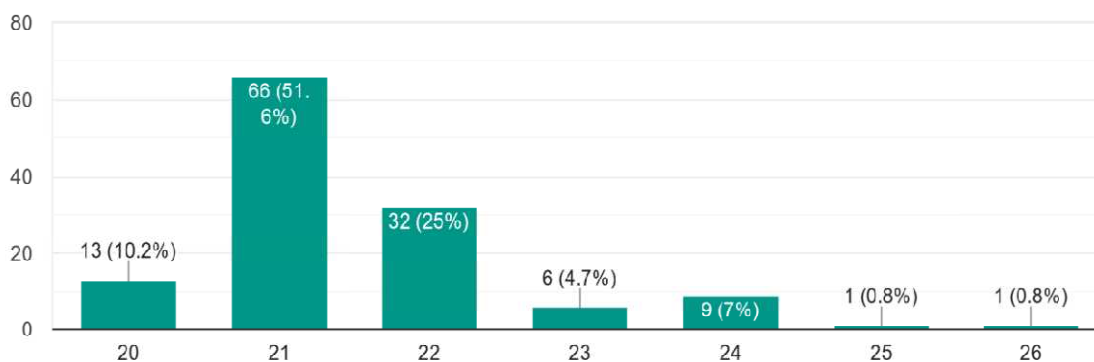

Please confirm this is the first and only time you answer this survey

128 responses

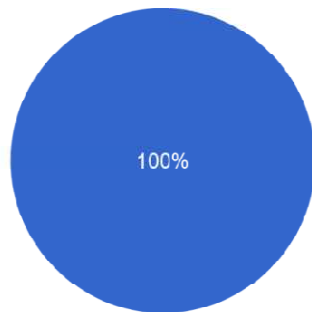

Age

128 responses

College Name

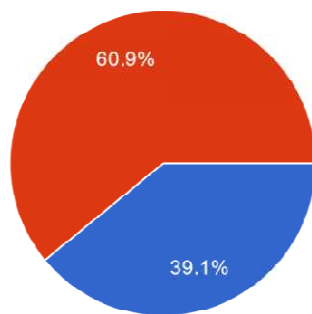

128 responses

● Don Bosco College Kohima

Gender

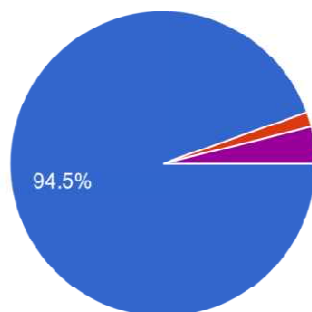

128 responses

● Male
● Female
● Transgender

Which degree programme are you pursuing now

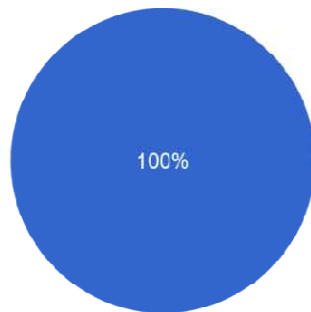

128 responses

● Bachelors
● Masters
● M.Phil
● Ph.D
● Others

What subject area are you currently pursuing

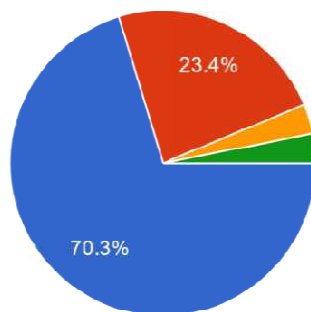

128 responses

- Arts
- Commerce
- Science
- Professional
- Other

How much of the syllabus was covered in the class

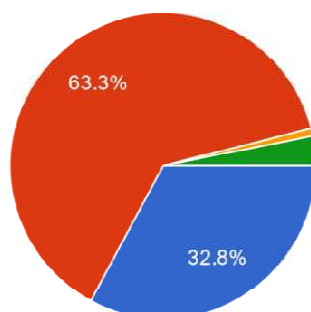

128 responses

- 85-100%
- 70-84%
- 55-69%
- 30-54%
- Below 30%

How well did the teachers prepare for the classes

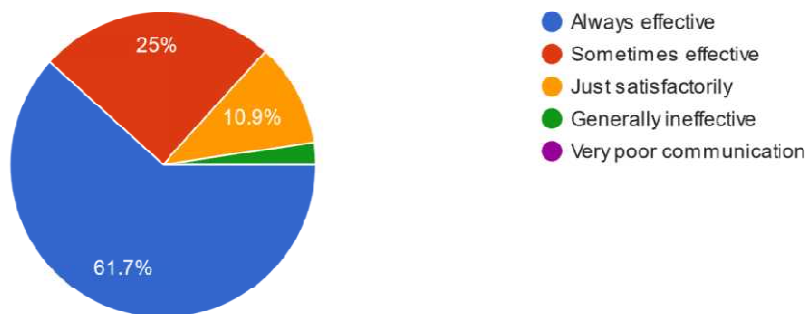

128 responses

- Thoroughly
- Satisfactorily
- Poorly
- Indifferently
- Won't teach at all

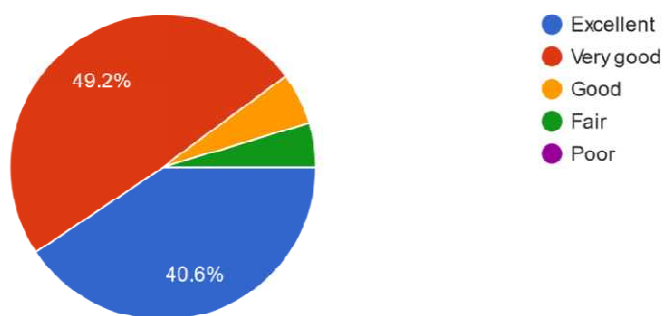

How well were the teachers able to communicate

128 responses

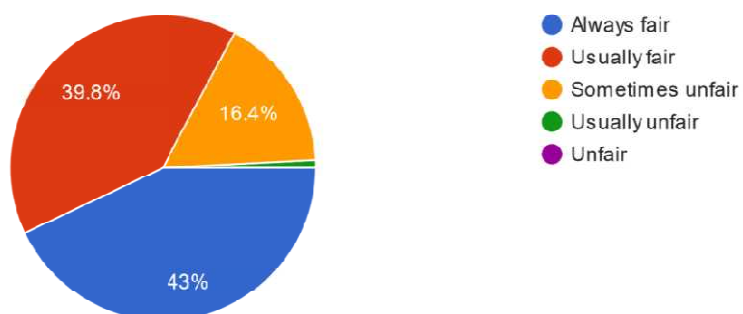

The teacher's approach to teaching can best be described as

128 responses

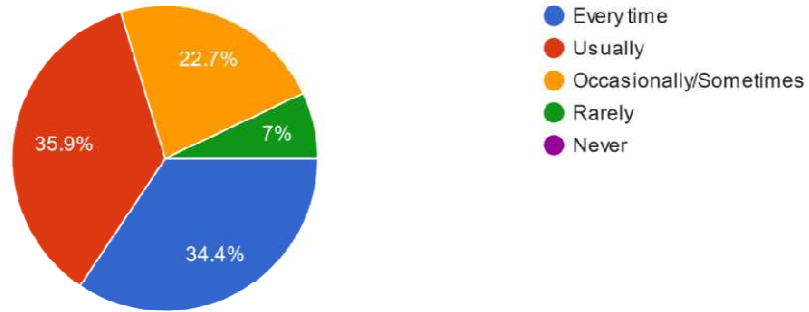

Fairness of the internal evaluation process by the teachers

128 responses

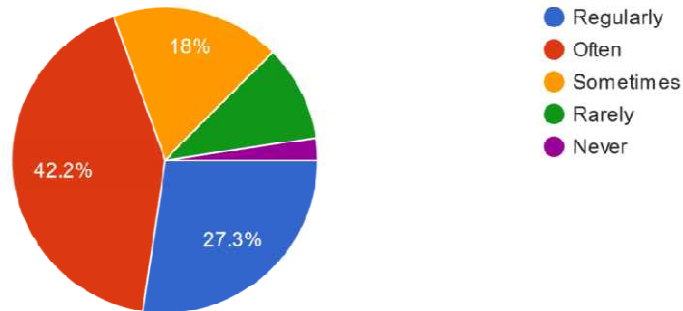

Was your performance in assignments discussed with you

128 responses

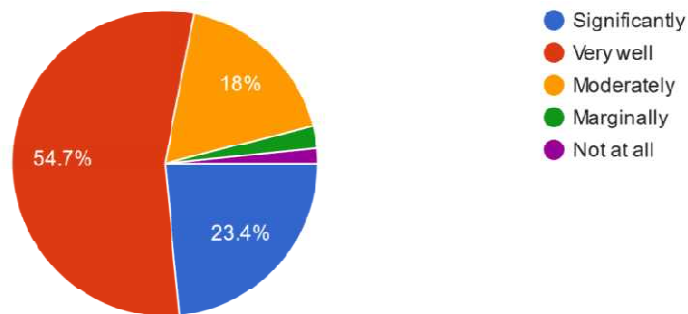

The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.

128 responses

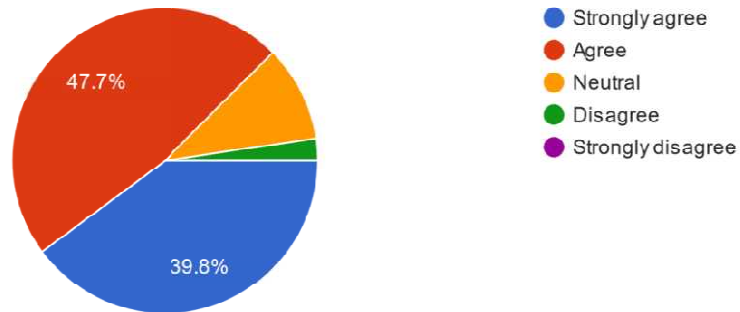

The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth

128 responses

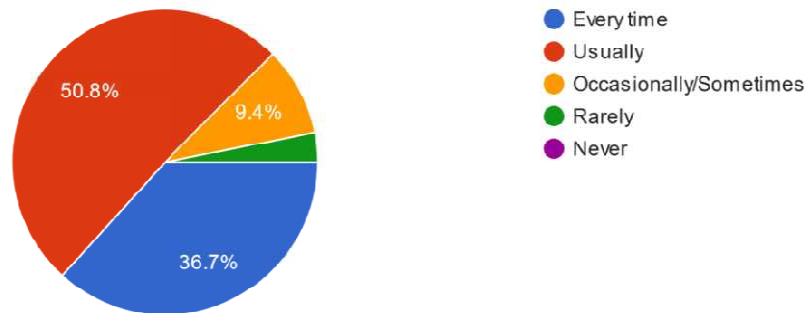

The institution provides multiple opportunities to learn and grow

128 responses

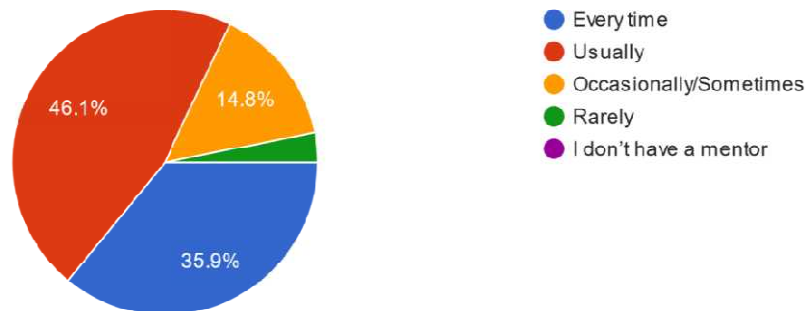

Teachers inform you about your expected competencies, course outcomes and programme outcomes

128 responses

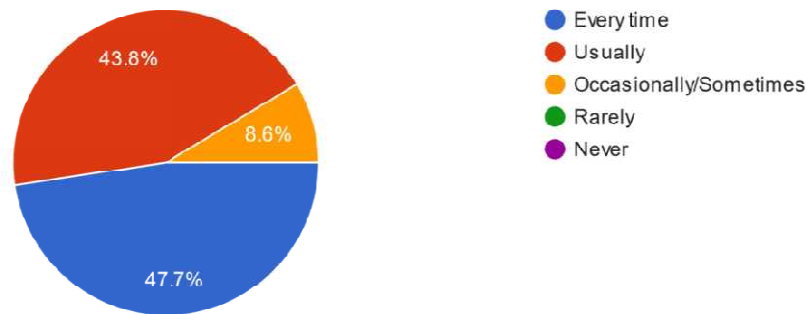

Your mentor does a necessary follow-up with an assigned task to you

128 responses

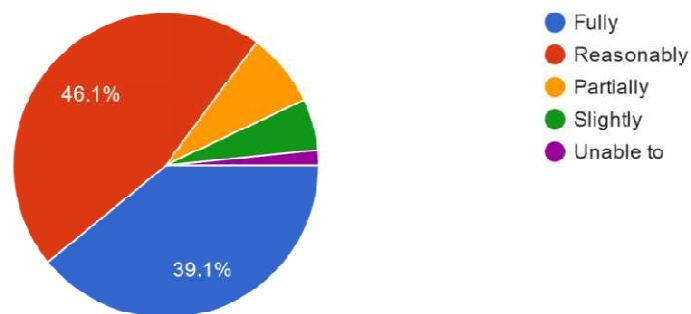

The teachers illustrate the concepts through examples and applications

128 responses

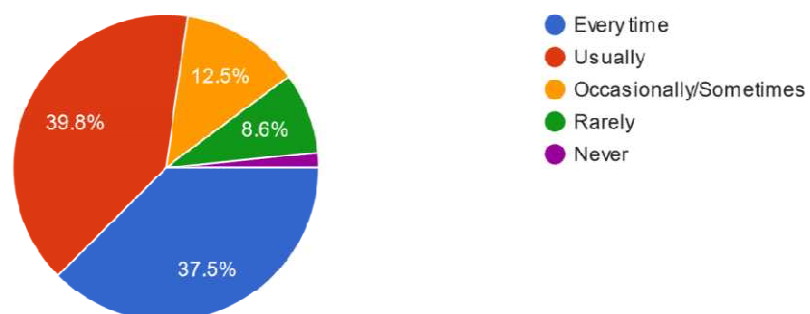

The teachers identify your strengths and encourage you with providing right level of challenges

128 responses

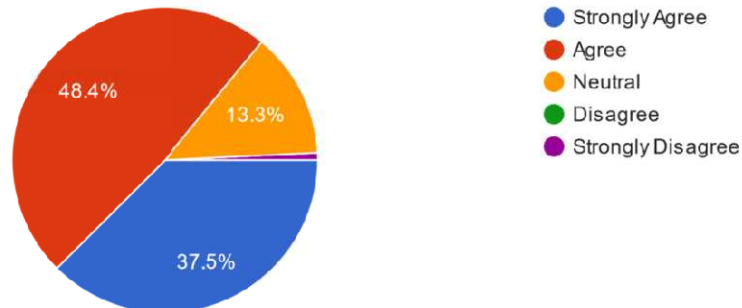

Teachers are able to identify your weaknesses and help you to overcome them

128 responses

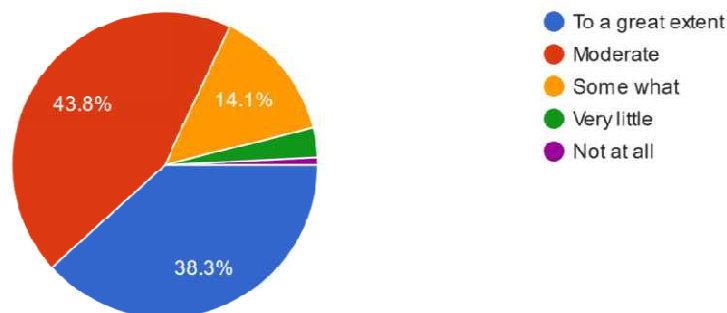

The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

128 responses

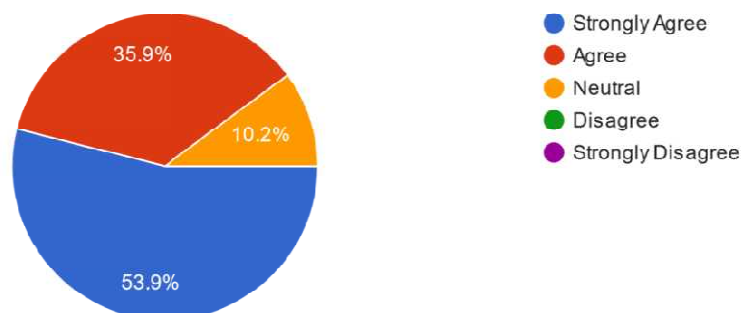

The institute/ teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences.

128 responses

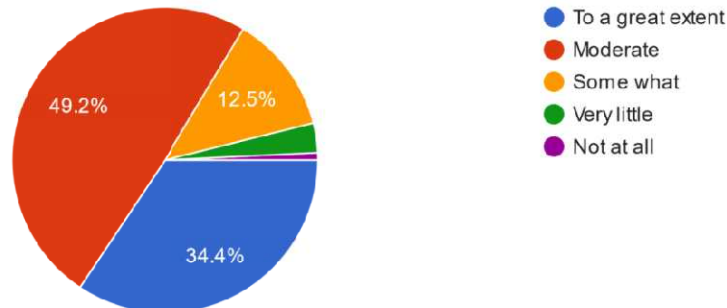

Teachers encourage you to participate in extracurricular activities.

128 responses

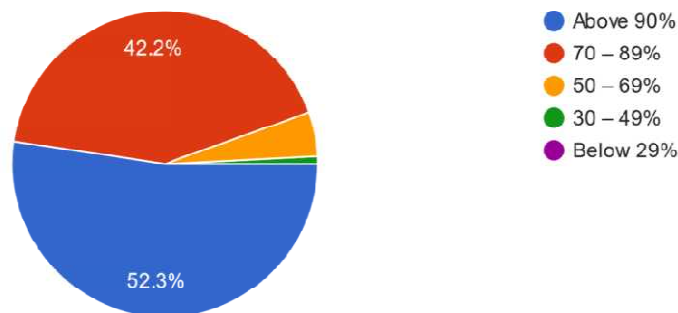

Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work

128 responses

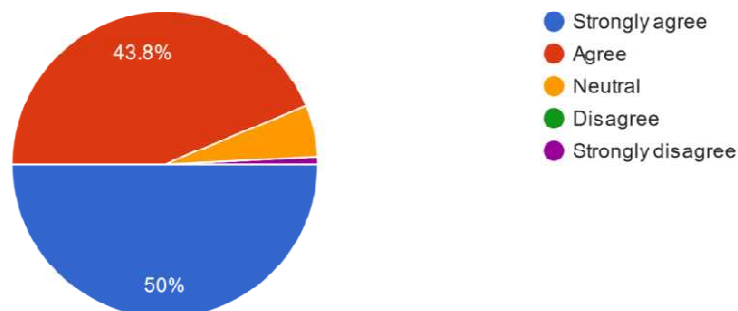

What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching

128 responses

The overall quality of teaching-learning process in your institute is very good

128 responses

Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

128 responses

1) field trips. 2) Student exchange. 3) Promoting excursions
More effort for students to engage in learning process.
1. Students exchange program.
.....
Communication Responsibility Responsive
To have more interaction between students and teachers.
Expand library
Give full interest in every students equally
- To provide more books in the library. - To encourage social learning. -Make teaching a two way interaction.
None
-
1. Shouldn't take extra time while lecturing 2. Teachers should possess good personality 3. Authority should provide more library books
1.outside learning. 2.interactions between teachers and students. 3.Empowering students for an active learning.
*Include more interesting clubs from students suggestions. *Allow use of smartphones inside the institution. *Improving the cafeteria.
1.Should provide for MA university.
To give an equal treatment to all the students.
• More outdoor learning • more practical (books related) • thorough reading ..
1.Provide meaningful teacher student interactions. 2.State the learning outcomes and make clear connections to the real world. 3.Provide active learning over straight lecturing.
Nothing to improve much as our college has everything that every student requires
Very supportive and Excellent teaching

Outdoor teaching, regular assessment and effective course content
Provide more materials in the library
Upgradation of more or latest books so as to get more resource in our assignments and all.
Library class
1.Encourage active and practical learning 2.Make course expectations clear and based on learning outcomes 3.improving learning outcome - updating teaching methods
More examples on particular topic. Explain the topic briefly
Building positive and healthy relationship between the teacher and student can bring out more interest in learning and teaching sessions.
Nil
1.More alternate subjects for students to choose according to their interest
Provide transportation
Perfection
1. Better learning facility 2.Better infrastructure 3. Better books in libraries
1.Better visual aids 2. Better audio teaching aids 3.Better audio-visual aids
1)Partial marking evaluation 2)less pressure on academic performances 3)Equal treatment of students and wider scope in co-curricular and job opportunities
Improve the college library based on the needs, preferences, and convenience of the students.
Upgrading the equipment available to the teaching faculty. Implementing a non systematic feedback method(the existing system operating alongside it).
-face to face interaction -small group discussion - outdoor activities (once or twice in a year)
More teaching staffs will be much better More sections with less students in each classes Mentoring program once every 2 weeks will help the students
Overall good initiative But changes can be made in students'cooperation in the class

<ol style="list-style-type: none"> 1.Upgrading the Library and bringing more books related to the course and syllabus. 2. Encouraging group discussions on application of the subjects taught in real life. 3. Explanation on taught subjects using current situations for deeper understanding and interests.
Everything is good
More books in the library
<ol style="list-style-type: none"> 1)Exchange of ideas between the administrators with the students community. 2)continuous test assessment. 3) physical health exercises.
No comments
<ol style="list-style-type: none"> 1.try to reach every student and ask for their doubt 2.use better graphics and visual media to engage students well 3.make teaching a two way interaction.
<p>More extra curricular activities</p> <p>Less stress on examination</p>
<ol style="list-style-type: none"> 1)Improve teaching learning methods 2)To Focus more on the weaker students 3)More utilization of teaching aids
No suggestion
<p>Introduce technology in classroom (power point presentation)</p> <p>Personalised the learning experience of the students</p> <p>Empowers student to be active learners</p>
Better library
<ol style="list-style-type: none"> 1.Stop favouritism. 2.Be Straight Forward. 3.More of PPT.
<ol style="list-style-type: none"> 1. Use of modern technology in classroom, such as digital boards 2.Organise group study 3.Supplementation of materials and more textbooks in library
<p>Responsibility</p> <p>Responsive</p> <p>Communication</p>
<p>-two way method(i.e active participation from both the parties)</p> <p>-explanation with more examples and facts</p> <p>-use of audio-visual aids when necessary.</p>
No comment ✖
Everything is good

<ol style="list-style-type: none"> 1. When Explaining, using examples is encouraged. 2. Clarity of speaking while explaining. 3. Equal treatment to every student.
<ul style="list-style-type: none"> *Providing examples out of syllabus to get a clearer idea about the particular topic *Including more extracurricular activities to explore our knowledge *organising Various kinds of competition within the college
Readings, presenting, group explanation
Learning with fun, questioning after every chapter covered, and special Class for slow learner
To always encourage students social learning
I have nothing to say
Pursing
Online question bank s hould be made available in the college website
<ol style="list-style-type: none"> 1. Should set up more technology for teaching learning process 2. Library should be upgraded 3. weekly mentoring should be given to those students whose performance is poor in exam
<ol style="list-style-type: none"> 1. To provide more skill development courses 2. A good library for better reference 3. To allow students for more field learning by exploring
<p>Try and understand each other better</p> <p>Not to treat another based on speculation</p> <p>Not to take the right to voice because of one's shortcomings</p>
To bring up a suggestion Box for the techers as well, where the students can give the suggestion
<ol style="list-style-type: none"> 1. To provide more books in the library for references to BA courses.
Excellent in all subjects
<p>Three suggestions -</p> <ol style="list-style-type: none"> 1. To be an autonomous college 2. To have better communication skills between the students and the lecturers. 3. To have more courses of degrees
<ol style="list-style-type: none"> 1. Improve the library 2. Computer setup 3 college canteen <p>Thank you</p>
the teachers should update themselves in their method of teaching and improve their materials
<p>Video based on Study material</p> <p>Interaction to keep the tract of attention</p> <p>Give a practical example</p>
<p>The teacher must bring examples to Make sure that the student understand</p> <p>Debate among each other about the subject topic</p> <p>Make sure that all the students are treated equally in every field.....</p>

<ol style="list-style-type: none"> 1) Better library 2) Group discussions with given topics 3) Mock interviews
<p>Improve the college library by bringing more books related to the course and syllabus</p>
<ul style="list-style-type: none"> - More interactive - Library facilities - More exchange programme for students
<p>Teaching methods are very skillfully managed in covering all the syllabus with efforts and allows students to appear Model exam before final which indeed helps us(students) alot in our final.</p>
<p>The three suggestions I would like to cite with regard to teaching-learning process are:</p> <ol style="list-style-type: none"> 1. The teachers should possess an approachable qualities for facilitating better knowledge to their students. 2 An atmosphere of zealous learning means should be encourage by the teaching faculties in the best way they can. 3. Lastly, the library facilities needs to be upgraded since it doesn't have sufficient source of information/references to provide the students' a better experiences in learning process.
<ol style="list-style-type: none"> 1.Sense of humor. 2.Close relations between teacher and students. 3.Ask questions.
<ol style="list-style-type: none"> 1.Task - Based learning. 2.Less of rote learning and more of deeper understanding and encourage social skill. 3. Improvement of library.
<p>Try to Every student and ask for Thier doubts, encourage practical and active learning, support the students</p>
<ol style="list-style-type: none"> 1: Library: well equipped and availability. 2: Visual problems of projector based teaching on backbenchers . 3: Revision of syallabus.
<p>Punctuality Hardworking</p>
<ol style="list-style-type: none"> 1)give more freedom to student in college campus 2)interaction between students and teacher should be practise more,so that the student may give more interest in learning 3)lastly lectures must be more friendly to student
<p>Halls. More classrooms.</p>
<ol style="list-style-type: none"> 1. Encourage students to ask questions 2. Friendly environment in the class 3. Focus on visual learning in the class
<p>I strongly recommend interest learning for the students which they find through the lectures (a friendly education) A new system of 1 hour in the library class will be a great benefit for the students which will greatly help in expanding their knowledge Overall my institution will only get better and better</p>

To focus more on the library
<ol style="list-style-type: none"> 1. Upgrade library 2. Extra curricular activities 3.
<ol style="list-style-type: none"> 1. More focused on weak students 2. A bigger library. 3. Canteen food price not reasonable
<ol style="list-style-type: none"> 1. Use better graphics and visual media to engage students well. 2. Try to reach every student and ask for their doubts. 3. Make teaching a two way interaction.
<ol style="list-style-type: none"> 1. Be more practical while explaining. 2. Encourage the students in every way possible.
Teaching level is excellent
To identify the weaker students and help them in learning
<ol style="list-style-type: none"> 1. Interactive Learning 2. Personalised Guidance 3. Encourage Self Learning
More refinement in infrastructure facilities for better learning experience.
Can do better in extracurricular activities
Try to reach students and ask for their doubt's ,creating a space where students time, energy and effort are rewarded and teachers and conduct of examination should be minimise...
<ol style="list-style-type: none"> 1 Focused more on weak students 2 encourage to write on their own understanding
<ol style="list-style-type: none"> 1. More interaction 2. Clarifying the doubts of students 3. Over conduct of examination and assigning works to students should be minimised as it creates an environment of frustration and work stress
<ol style="list-style-type: none"> 1. Library class 2.more books 3.teacher students interaction
<ol style="list-style-type: none"> 1. Well equipments of technology 2. Better and peaceful environment
To give more examples so that we students will learn more easy.
<ol style="list-style-type: none"> 1. Balance between extracurricular activities and educational activities. 2. Improvement of learning and teaching equipment. 3. Avoid forcing remedial classes as students have different methods of studying.
..
A good books to refer

1)I strongly suggest the institution to bring more liberal policies which will realised the potential of the students where they can freely apply their ideas and create an innovative atmosphere 2)To provide more sources in Library 3)To create more technical methods to improve students to cope with the present scenario
A good quality of study materials More references books in library for Students Shortages of computers for students in preparation for assignments or presentations.
Need to improve in class activities
Give more cooperation to teachers
Platforms should be open to all the students Average students should be strictly monitired
Try to reach every students and clear their doubts
To be more polite. To teach in a simple manner. To be more friendlier
Need I improve
More bond between teachers and students
1.make course expectations clear based on learning outcomes. 2.use better graphic visual media . 3.upgrade library.
Providing more meaningful teacher-student interaction
Creative teachings/participatory activities/
1:Participation of students in the class. 2:Discussion and interaction out of syllabus. 3:To give more examples and illustration in teaching methods
1)Provide meaningful teacher-student interaction 2)Encourage active and practical learning 3) Lesson planning with students
So far good
Better attention towards the weaker students
Add more books in library
More time on extracurricular activities
More ICT tools, curricular activities and more interaction
More Teachers students interaction , use of more example in explaining the topics for better understanding and better understanding and opportunities for every Individuals in the college for empowering each talent
