F. No. NU/COE-2/2014-

Dated: 22nd May, 2021

NOTIFICATION

In view of the decision and subsequent notification to hold the Online Examinations for the 2nd, 4th, 6th and 5th Semester (Supplementary) starting from 27th May, 2021, the following are reiterated to colleges for strict compliance;

1. Colleges are required to make sure that each student is eligible in all respects to appear for the forthcoming 2nd, 4th, 6th and 5th Semester (Supplementary) examinations May-June, 2021. In this connection the **prescribed academic standards** like completion of the required syllabi/course, attendance, internal assessment, practical/dissertations/project papers etc. are paramount.
2. Payment of the required exam fees, filling and submission of the required exam forms to the University must be ensured. This is more relevant to the students appearing for the 5th Semester (Supplementary) examination which is but a special (one time) arrangement meant for the earlier batch of students who failed in the examination conducted and evaluated internally by the colleges. Also it should be ensured that NOC is obtained from University for cases of students transferred from one college to another during the course of the degree/academic year.
3. If it comes to the notice of the University that unfair means are used by the students during the Online Examinations like copying from internet sources, seeking help from experts/friends through social media, phone etc., such cases shall be dealt with as per the rules of the University. Colleges are requested to circulate/disseminate the same to all the students.

The University reserves the right to withhold/cancel the result of such students who do not fulfill the prescribed academic/examination standards even though the colleges may permit them to appear the online exams by virtue of being enrolled in the college by default.

The above directives are reiterated as these batches of students were mostly taught/evaluated through **online** classes/assessment due to the COVID-19 pandemic, since the beginning of 2020, so that required academic/examination standards are maintained.
