DEPARTMENT OF POLITICAL SCIENCE

Academic Year 2022-2023
2nd Semester (Section-C)

Report on field visit:

On 13th February, 2023, the department of Political Science 2nd Semester section-C visited four governmental departments, in line with the internal assessment policy of the college. There are 47 students in total. For field visit, the students were divided into four groups. Each group consisted of 12 students with two coordinators for each group.

The objective of the assignment was to enhance the knowledge and allow the students to see and experience the real working system of the various government departments. It is an experiential learning for the students to explore, investigate and develop an aptitude of problem-solving ability and critical thinking skills.

Each group visited their respective allotted department on the given date (i.e., 13-02-23) and collected the required information and prepared videos and reports as specified by the policy. All the groups submitted their reports and other requirements on time with satisfactory outcomes.

The response and participation of the students were overall satisfactory.

The following were the division of groups:

1. Group I- Labour and Employment.
 2. Group II- Gauhati High Court Kohima Bench
 3. Group III- Lokayukta
 4. Group IV- Department of Information & Public Relations

2nd Semester Field Visit Academic session 2022-2023

REPORT

As a part of internal assessment, students of 2nd semester of department of Psychology visited different government offices located in Kohima with an objective to learn and have exposure outside the classroom setting. A total of 28 students were divided into three groups to visit three different government offices.

On 3rd February 2023, group number 2 visited the State Mental Institution, Kohima located in Tekhuba colony. Some of the highlights of the field visit include learning the history of the institute, interaction with the officials, the institute achievements and future plans as well as their contribution towards the state government.

On 13th February 2023, two group comprising of nine students of 2nd Semester visited National Informatics Centre (NIC) Nagaland at Nagaland Secretariat, Kohima and Urban Development Department Kohima. The main objective of the visit to the NIC Nagaland and Urban Development was to know more about the department and to expose the students to different fields of learning and gaining knowledge which would be of a great help for their future. Both the groups were given tour and brief history and functionalities of the organization were highlighted to the students by the respective members of the organization.

Overall, the students have learned through the field visit. Learning and exposure beyond the classroom had a great and fun learning experiences for the students.

One Day Field Trip

to

Khonoma Village

Theme: Exploring Khonoma- A Historic Village

Date: 4th February, 2023

Report on fieldtrip 2023

The department of History, DBCK successfully conducted a fieldtrip to Khonoma village, Kohima on 4th of February 2023 as a part of the departmental activity with the objective to study the historical aspects of the village and preservation of artefacts and monuments by the Archaeological Survey of India (ASI).

We moved out from College Campus at 7:30 AM and reached the village at around 9:00 AM. The department hired a local guide to take us through and round the village and explain to us the significance of the places we are visiting. We came back from the village at around 2:00pm.

Out of 109 students in the department, 107 participated. The department faculty went along with the students.

Study Tour to
Dzuleke Village, Kohima
Nagaland
Cum
Cleanliness Drive

Date: February 4, 2023

Venue: Dzuleke Village

Don Bosco College, Kohima
Department Study Tour
(Political Science Department 2nd Semester)

Don Bosco College conduct a *1 day tour-cum-cleanliness drive to Dzuleke village*, Kohima on 4th February 2023 for the students of Political Science Department 2nd Semester.

There were 5 buses in total carrying a total of 161 students and five teachers. The tour started from the college gate at 7:45 am and reached the destination at 10:15 am.

Introductory speech was given by my Asst. Prof/examination controller Ma'am Kezienuo after which a short interactive program was held with the council of the village of Dzuleke (5 members of the council present). The council of the village gave a brief explanation about the village and also questions were asked by the students to which the members of the council answered. Asst. Prof. Sir. Lhikhwestsokapto gave the vote of thanks. After a short light refreshment, we went to a picnic spot to participate in cleaning the area. Our trip ended at 3:00 pm and reached the college campus by 5:00 pm

It can be concluded that the trip was successful and we believed that our objective was achieved. The students learned new life skills and first hand knowledge on the workings of a village council and the various functions of the village Developmental board.

ENVIRONMENTAL SCIENCE 1ST ASSIGNMENT

ACTIVITY ON ORGANIC GARDEN, 30th JULY, 2022.REPORTED BY: IDISING
ILUNGLUNG

Don Bosco College, Kohima, Nagaland organised a one day activity under 'BoscoGreen Alliance' on the theme "Organic Garden" as an assignment for Environmental Science under Mrs Zavelu Keso Vero.

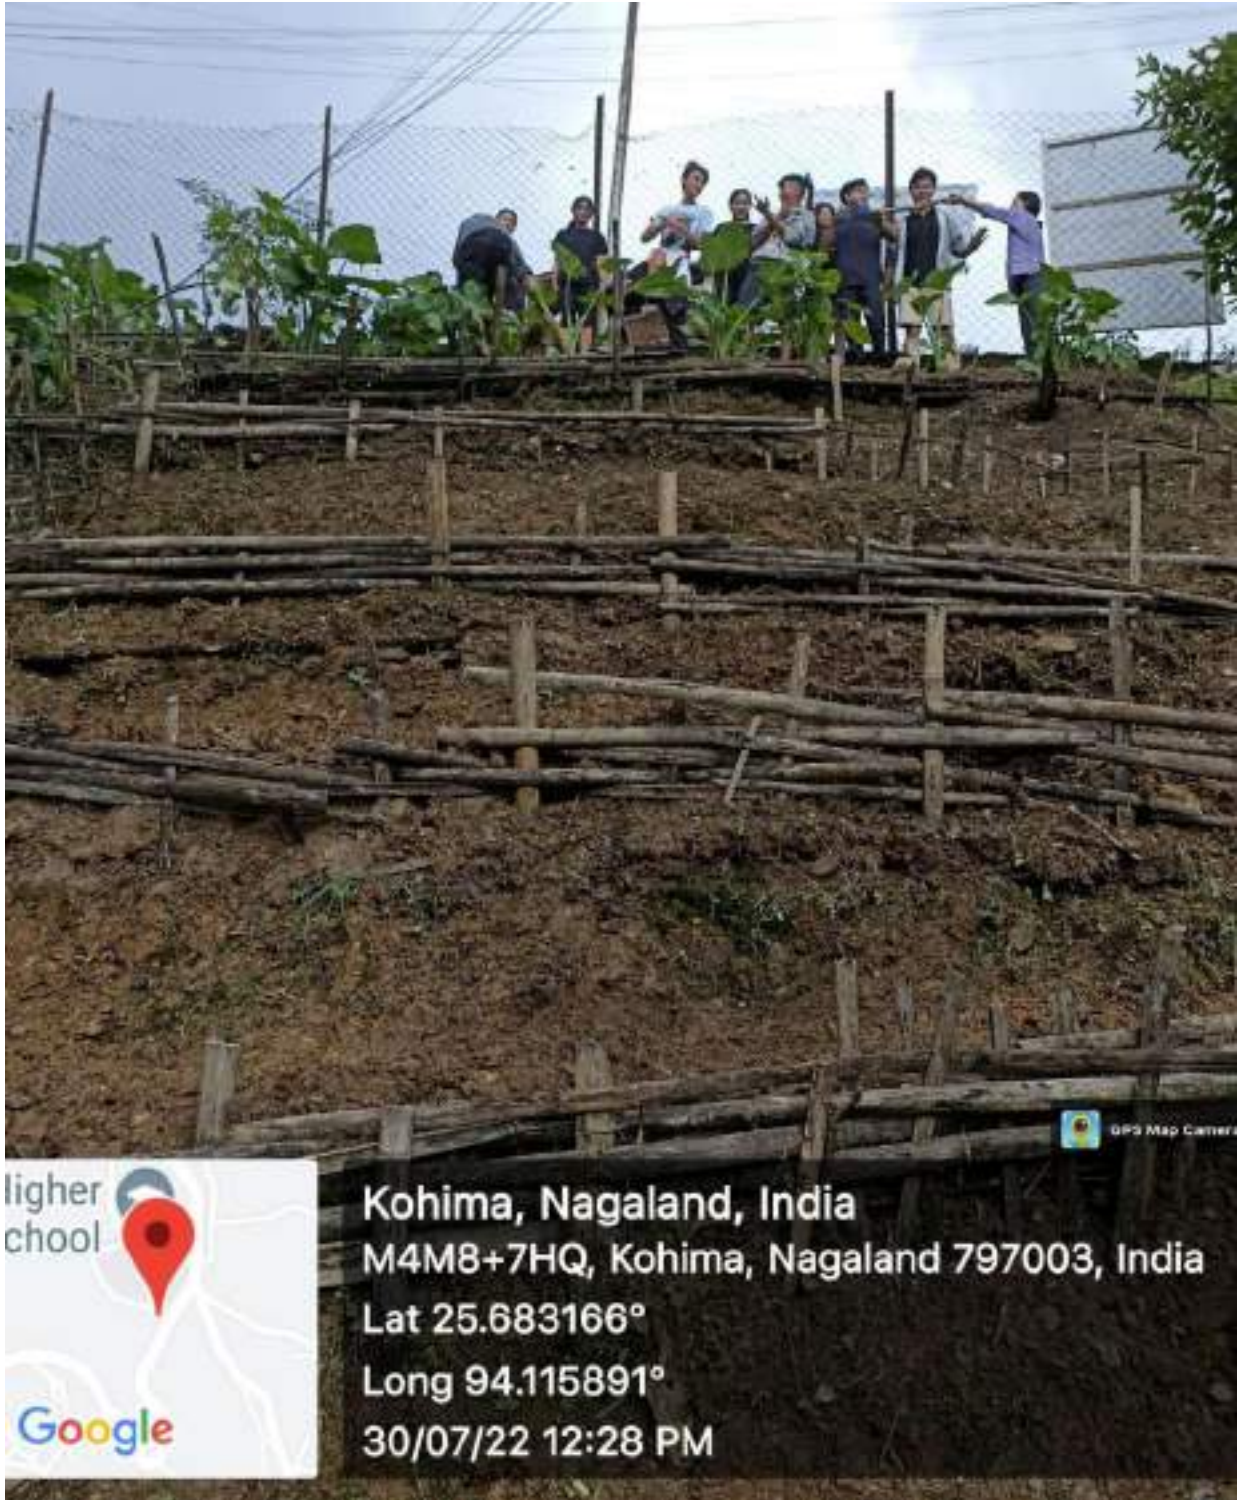

The activity started at 9:00 a.m. with attendance taking and going to the respective plot given to it. The departments had to strategize how to tackle the weeds, soften the soil for the next plantation, remove the old fences and replace it with new ones, how and where to properly dispose of the waste, and to make footpaths stable for going up and down while working and taking care of the garden.

The first half of the work went smoothly with clearing out the boundaries first, to mark and indicate where to work under it, and sort out more in detail where work was needed.

The second part of the work was more tedious and steeper, where the English dept. encountered a wasp's hive and got stung by it, making it a memorial day, in the end they were able to clear out both the weeds and the hive, which was two birds with one stone.

The students after the rough clearing the plot, more details in removing the remaining weeds came in next, where the soil was ploughed, the removal of the old unstabled fences, as more bamboos were placed and hammered down in places, making of footpaths for going up and down, where the work was done one after the other.

One by one each department left as the work was done in the end. The last remaining department was English and the work was done till 12:25am followed by geo tagged pictures, where the students cleaned up and ended the day with the refreshment provided by the college.
