On 15th July 2018, the academy organised a one day football coaching cum friendly match. The event was animated by Shri. Zakie, a member of Nagaland Football Coach Association. The coach emphasised upon the students that being a sportsperson, exercise is of utmost importance. Passion for football among the participants, was witnessed at the event. After some coaching tips to the students by the coach, a fascinating football match was unfurled. Two teams were divided among the students as Group A and Group B with 11 players on each side. The referee blew the whistle at 10.00 am and the match lasted till 11.00 am. The cheer from the audience not only made the match enthralling but also motivated the players on the field. My Experience during RD camp 2019 at New Delhi

Good morning everyone, today I would like to share some of my experience during the RD camp which was held at New Delhi.

First of all I would like to thank the college authority for giving the opportunity to attend the RD camp which was held at International Youth Hostel, New Delhi from 1st January 2019 to 31st January 2019. For this camp we first had the selection process at College, Second the selection process at the State level which was held at IG stadium Kohima and the third selection .i.e. Northeast which was held at USTM Meghalaya. For the Northeast selection among the 16 students myself and one student .i.e. Ruvikho from Mount Olive College, we were selected at the northeast level. When I heard that I have been selected I couldn't believe it myself since I felt like I was the worst among all my other friends.

When I have to go for National level I didn't give much importance to it but since I was selected I just went with it. But after the one month training I understood what this camp meant for us and also realised that competition was not easy.

In this camp people from different states all over India came for the RD camp. 20 P.O from different regions, 200 NSS volunteers (100 boys and 100 females) including 178 colleges attended the camp. In a day we usually have 2 practises which followed by educational session and cultural programme in evening.

During the training we were trained like the military forces where the training was so tough we go through many challenges and hardship. After 4 to 5 days of training the selection process started. In the first selection when I was not selected, felt as like I was kicked out from the whole competition so I cried bitterly and was about to lose hope, but this thought "I can do it" struck me, and so I started praying my rosary, I asked Mother Mary to help me through all the competition. Even my parents were praying and fasting for me because through prayer everything is possible. The next day I woke up early when no other woke up, I went in front of the mirror and practise it for around 30 minutes and on that very day I was selected. The moment I was being selected I was so happy that I started to put more efforts and hard work in everything I did.

We had around 7 rounds in selection process where I was been selected till the final selection round. Among 200 volunteers only 160 were selected to March on Rajpath on 26th of January 2019, I should say it was all because of the prayers that I was able to go through all the tough training and competitions.

On the great day .i.e. Republic Day, Marching on Rajpath with all the different military forces was like a dream. We March till India Gate and it took 4 km. there were thousands and thousands of people from various places came and watched us. It was a proud moment for me too since I represent our college as well as our State. Behind all this there were lots of things which words cannot express.

After Republic Day we went to different places for visiting important people and places. On 25th all those volunteers who were not selected for the RD went and met the Prime Minister

Narendra Modi. On 27th we went and met our Honourable President of India Ram Nath Govin. On 28th we met the Vice President Venkaiah Naidu. On 29th we went and visited the Taj Mahal at Agra and on 30th we visited the Lotus Temple and on that evening we had the valedictory programmes, where certificates were distributed at all the volunteers.

On 31st morning we started our Journey back home, on 3rd of February, the Assam Governor felicitated us. It was such an honour to meet the Governor of Assam Jagdish Mukhi. We had an interaction session with him which was followed by photo session and refreshment.

Meeting the great people in my life is like a miracle because I never expected I would face all this.

Thanking everyone who supported and helped me to achieve these. I have come back with lots of memories which will remain for life time.

Last but not the least I also would like to Thank our Principal Fr. Dr. P. Suresh and Madam Pinky for helping me physically, Financially and supporting me through prayers.

THANK YOU
