On 15th February, 2020 a drama competition on the topic- *Folklore* was organised by the Department of History, Don Bosco College Kohima. The competition was a part of departmental activity in the college. Mr. Bona and Ms. Moasenla, alumni of the college were invited as Judges.

Ms. Tsutshoweu-ü Sekhamo, Asst. Professor, Department of History, DBCK, presided over the programme. Invocation was pronounced by *Mr. Lokho Anthoy*, Asst. Professor, Department of History, DBCK. Welcoming and felicitation of the resource person was done by *Dr. Lanukumla*. Ho.D, Department of History, DBCK.

Folklores plays a vital role in preserving history of the tribal during the pre-colonial era. With the influence of modern technology, folklore is presently losing its significance in our culture and thus threatening our identity. The department therefore, organised the competition with the aim to resuscitate the dying folklore especially amongst the younger generation.

The 6th Semester performed on a *Sumi* folklore. The drama depicts a classical story of love at first sight and the important customs observed by the *Sumi* tribe. The drama illustrates the importance of adhering to certain rituals and omens that played pivotal role in determining the fate of auspicious ceremonies.

Love story of *Pheou* and *Nishili* – a *Sumi* folktale was presented by the 4th Semester. The play conveys that people with good behaviour and personality are appreciated.

An *Angami* folktale, *Morusa* and *Mehouvi-ü* was performed by the 2nd Semester. The drama convey the message on the dangerous and ruthless practice of headhunting. It also convey the message about the braveness of the forefathers.

The 6th Semester students were declared the winner followed by the 4th and 2nd Semester students in the first and second position.

Our gratitude is extended to Mr. Bona and Ms. Moasenla, alumni of the college who accepted our request to be the judge. We also thank our Principal Fr. Dr. P. Suresh for his contribution in making it possible to organize the programme.
