

REPORT: Field trip to Nerhema Village

Rovers and rangers of Don Bosco college Kohima, conducted a trip to *Nerhema village, Bharat Scout and Guides Training Centre* on 6th July 2019. The main objective of the trip was to train oneself and scout the area. Twenty members attended the trip and the group was fortunate to have scout leader Kekhrieselhou Theunuo, State Rovers and Rangers, Kohima as the guide.

Once we reached the point the group began with a prayer and then self introduction. Discussion on topics like disciplines and awareness on the guidelines for Rovers and Rangers' members were conducted. The session was followed by practical activities i.e drill session and games. The whole activities took approximately four hours and ended at 1.00 p.m.

After the activity was over we had a nice feast, each one carried a light snack and the group went around tasting each other's food. After the food, there was a photo session after which the group headed down towards the place where the bus was waiting for us. We boarded the bus and departed Nerhema village around 2.00 pm

The field trip was a successful one. For most of the students it was their first trip to Nerhema village. Everyone had a fun thrilled learning experience. An aura of serenity combined with a spectacle of charm and beauty left a memorable imprint in each one of us.

Report on BEEA Activity: Rovers & Rangers

Rovers and Rangers of Don Bosco College, Kohima, in collaboration with *Peace Channel*, Don Bosco College undertook *Cleanliness cum Physical Fitness Drive*, on 31st August, 2019, at Dzükou Valley. The theme for the day was, “*Pick Today for Clean Tomorrow*”. The club was fortunate to have *Nagaland Association for Adventure Mountaineering and Education* (NAAME) as Co-organizer. About thirty members partake in this activity. Every member brought a sack to put in non-degradable waste materials.

The two clubs under the supervision of Tsutshowe-ü Sekhamo, Coordinator of Rovers & Rangers and Viphreseno Yhokha, Coordinator of Peace Channel and Nagaland Association for Adventure Mountaineering and Education members gathered at Rhazoü Point around 5.30 am in the morning, filled up two Tata mobile (due to the road condition this vehicle was most convenient) and drive towards the destination. The day started with a mass prayer at Viswema-Dzükou valley point, followed by the cleaning of the area and emptying of waste bins.

After the area was cleaned, the group marched towards the valley. Along the way the members continued collecting the wastes materials and at the same time emptied the dustbins that were hung alongside the track. The members cleaned the Dzükou valley as well.

The hard day work and trekking at Dzükou was rewarded with a warm cup of tea by the Dzükou management team. The team also helped in disposing the collected trashes. Special thanks also go to Southern Angami Youth Organization (SAYO) for granting permission to undertake this activity in their jurisdiction and making this day a very successful movement.

Report on BEEA Activity: Rovers and Rangers, DBCK

Rovers and Rangers of Don Bosco College, Kohima, in collaboration with Fine Arts, Don Bosco College, Kohima undertook a one day Skill Development activity on the theme, “Traditional skill Enhancement Programme”. The activity was conducted at Don Bosco College, Kohima ground on on 1st February, 2020. Special invitee for the day was, Sir Neikho Semou, an expert in wood carving. Sixty three members took part in the activity under the initiatives of the coordinators, Miss Tsutshowe-ü Sekhamo (Rovers & Rangers) and Miss Sentuile (Fine Arts).

The programme started with a prayer by Epithung, General Secretary for Rovers& Rangers. Shalozu Kath, President for Rovers& Rangers welcomed the guest after which a short speech on the importance of skill knowledge was delivered by the special invitee. The two clubs under the direction of Neikho Semou learned to carve various wooden spoons . Sir was humble and demonstrated every detail on wood carvings after which he assisted the students while they were carving a spoon each. The main motive behind organizing this activity was to make the students learn a new trade which will be beneficial in the later years. It also intends to make the students cultivate patience and concentration as these qualities are also required while carving a good spoon.

After the activity we had a nice feast from the packed lunch each member brought. After which the areas were cleaned and emptied the waste in the main dustbin. To conclude the day, vote of thanks was given by Miss Tsutshowe-ü Sekhamo and benediction was pronounced by Kevilhoutuo Dennis, General Secretary for Fine Arts.

For most of the students, it was their first time learning to make wooden spoons so it was a successful experience. The two club is thankful to Sir Neikho Semou for giving his valuable time and making the programme a success.
