## CAREER AND GUIDANCE COUNSELLING PROGRAM 19th February 2022

A Career counseling program was held by the Department of Sociology, Don Bosco College, Kohima on 19<sup>th</sup> February 2022. This program was organized to make the students aware about the various opportunities and fields to pursue after graduation. The resource person for the session was Mr Ganreipou Albert IRS, Assistant commissioner, GST. Ministry of Finance, Government of India.

Speaking on the event, Mr Ganreipou Albert gave a brief introduction about various career opportunities to pursue after graduating college. Some of the career options which he suggested to the students are civil services, research, business management, data scientists and careers in law and politics. He suggested various ways on how to achieve good careers in one's life by becoming in charge of one's own career and depending on the skills, attitude, capabilities and potential. He encouraged the students to not be afraid of starting small and to build one's own empire. He talked about ways to focus on the chosen career and what the efforts to be put in are, to make that dream come true. He concluded by encouraging the students to be job givers and not be simply job takers and thus, to develop one's own empires, opportunities and jobs.
