“Sharing Happiness with NMA Cradle Ridge Cum Awareness Drive on HIV/AIDS”

The Red Ribbon Club of Don Bosco College, Kohima conducted its annual activity in collaboration with NASCS, with special visit to NMA Cradle Ridge and awareness drive on 18th February, 2023.

The Red Ribbon Club, DBCK extension activity was conducted and participated by ten (10) members of the club along with the Club Nodal Officer. For the activity, all participants were assembled at 9:00 am in the college campus and then moved out for NMA Cradle Ridge, below ISBT, Kohima.

For the special visit, the program began at 10:00 am. The program was conducted with seven (7) children and one (1) of their caretaker of NMA Cradle Ridge. To bless the proceedings of the program, invocation was pronounced by Ms. Eliton. N. Nekha (RRC member). This was followed by an introductory session. After which a short session for games (musical chair) and activities (hand painting) was carried out. This was followed by a tour of the NMA Cradle Ridge abode and the surroundings with the children and the members of the club. After which a brief session was held, in which words of gratitude was pronounced by both parties. Gift hampers were handed to the children by the members of the Red Ribbon club, which were warmly received. The program was ended with a short prayer. The RRC team made their departure at 10:44 am from NMA Cradle Ridge and proceeded for an awareness drive on HIV/AIDS at different locations in Kohima town.

For the awareness drive on HIV/AIDS, it began from Phoolbari Junction and concluded at Razhii Point in Kohima Town. In which, the awareness on HIV/AIDS was done through public display of HIV/AIDS related posters. All participants (10 RRC members) were given a poster each, and held the same, as they walk towards Razhii Point, stopping in between important and crowded sites such as Phoolbari Junction, NST Junction, Old NST Junction and Razhii Point Junction. Along with the posters, the participants also held the college RRC banner to garner more attention. The awareness drive received a positive response from the public.

Overall, the extension activity of DBCK Red Ribbon Club was a resounding success.
