DBCK Jesus Youth Report (2nd BEEA Activity)

On 6th July 2019, DBCK Jesus Youth members visited Eden Garden, Khuzama Village. The journey begins at 8:30 a.m from college campus and reached the destination at 10:10 a.m. After reaching the spot we had a short prayer together before we begin with our field works. The members had a short interaction with Fr. Raymond, who looks after the Orphanage. He shared about his family (the orphanage). Altogether there are 240 children, consisting of 115 females and 125 males from class 2 – class 9. Father also encouraged and wished us luck in everything that we are about to do and gave us the directions as to how and where we should spend the day. A brother was there to assist us with the needs of the day.

We execute our plans with the children on their dining hall since other halls. They children were quite excited to see us and even before we could arrange the hall, they were waiting for us at the door to rush in. After the children were called upon into the hall, there was a short prayer service led by Mhalenuo Regina (coordinator DBCK). Praise & worship was led by the Jesus Youth praise & Worship Team after which some games were played with the children conducted by Sis. Adani.

At 12:20 p.m. while they were preparing for their tea, we had our lunch. After lunch, we had a short exchange of thoughts among ourselves. We headed to our journey back home at 3:50 p.m.

We really had a blessed moments, experienced many new things and concluded the day successfully.

The day started with a mass prayer at Viswema-Dzükou valley point, followed by the cleaning of the area and emptying of waste bins.

After the area was cleaned, the group marched towards the valley. Along the way the members continued collecting the wastes materials and at the same time emptied the dustbins that were hung alongside the track. The members cleaned the Dzükou valley as well.

The hard day work and trekking at Dzükou was rewarded with a warm cup of tea by the Dzükou management team. The team also helped in disposing the collected trashes.
