FORESTRY WEEK REPORT

1-7 JULY, 2021

Date: 1st - 7th July, 2021

REPORT OF THE FORESTRY WEEK

NSS (DBCK)

The NSS cell of Nagaland in association with colleges and universities have organized a one week event of Forestry Week.

The massive plantation drive started from 1st July 21 up to 7th July, 2021, with a target of “one volunteer one tree”. The respective coordinators encouraged every volunteer to plant one tree each in their own respective jurisdiction and promote healthy, green environment.

The initiative was taken as a necessary action with motive to save mother earth as the rate of Deforestation being increased. The action was to prove that we as an individual care for the nature.

The active NSS member from the college took part at this week long event and spread the awareness that forest is a must for a peaceful green environment. The volunteer who took part in the massive plantation drive also uploaded the photos.

The volunteers were Adotsa C Nyuwi, Sobin Karki, Sukisungla Jamir, KumtsulaYimchuger and M. Ebibeni Ngullie

Attendance of the volunteers:

REPORT
CHAMPAIGNTORUSOMAVILLAGE
DBCK 26/9/2021

On 25th of sep (Saturday) 2021, there was an awareness campaign, organised by the 1st Naga Girl NCC Battalion of NCC HQ Kohima, to spread the awareness of Government Welfare Schemes and the Benefits of Environmental Protection.

On this very day, the CO of 1st Naga NCC Bn and some office staff, along with some cadets of DBCK, KOHIMA COLLEGE, ST. JOSEPH and MOUNT OLIVE, attended the awareness campaign.

The program was held at RUSOMAVILLAGE, badminton hall, where the village chairman, Head GB Sand Student Union President, of the village attended the awareness program. The CO took some time, after which a brief introduction and explanations on the advantages and government welfare schemes was given by the SUOs of both Kohima College and St. Joseph College, followed by word of thanks by the village chairman. After the program, a light refreshment was given by the 1st NCC Bn. After which the cadets proceeded towards the village tower holding placards, spreading awareness on the environmental protection and government schemes, after which a group photo of the cadets along with CO holding placards was taken.

It was a day well used and spent.

JAI HIND.

The following are the eight(8) cadets from Don Bosco College, who attended and participated in the awareness campaign.

- i) LCPL Neimenuo
- ii) LCPL Yatile Semy
- iii) LCPL Henkegwa Lorin
- iv) LCPL Dzeseneinuo Mere
- v) LCPL Kumlula A Yimchunger

Report on NSS Extension Activity

The NSS Unit-4 of Don Bosco College Kohima celebrated the 'International Women's Day' on the 8th March 2022, under the theme "Gender equality today for a sustainable tomorrow", guided by the coordinator Miss Sharon Khing.

The activity was done in the super market Kohima, which started around 11:15 am where the NSS volunteers handed out small tokens for the women who earn the livelihood of their families by selling fruits, vegetables, and other basic necessities on the streets. The NSS volunteers took up this plan to appreciate the women out there for their hard work and sacrifices they make for their family and to let them know their worth that they are no less than a man.

The activity ended successfully around 11:45 am

Department of Education
2nd Departmental Activity Report - 19th March 2022

Department of Education, DBCK made a field trip visit to Poilwa Village, Peren district on 19th March 2022, as part of the 2nd departmental activity.

Based on the theme “social connectedness”, the objective of the field visit was to inculcate the sense of building social relationships by way of helping, showing care and support. During the visit, students and teachers visited few under privileged families, interacted with them and gifted some pulses, biscuits and energy drinks. The team also visited the Government primary school and High school of the village. The team further cleaned the village surroundings and made a brief visit to the sheep farm as well.

A total of 3 teachers and 55 students undertook the field trip.

REPORT ON 2ND DEPARTMENTAL ACTIVITY

19th March, 2022

Venue:Dzuleke Village

The 2nd Semester of the Department of Political Science, Don Bosco College, Kohima, carried out a **Workshop Cum Cleanliness Drive** on 19th of March, 2022 in Dzuleke Village. The workshop was conducted on the topic “**Working of Dzuleke Village Council**”. The workshop commenced with the introduction and objective given by Ma'mKezienuo (Assistant Professor of Political Science Dept. DBCK). The eldest member of the village graced the programme followed by discussion and interaction on the working of the Dzuleke village Council. Six members of the village council animate us on the history of the village formation, the division of the powers and functions of the village with the youth body playing an important role and the Council exercising the final authority of approval. The workshop ended with a vote of thanks given by Alinto.

The students were then divided into two groups for carrying out the cleanliness drive in the village. 85 students along with three teachers attended the Department Activity. The Workshop cum Cleanliness Drive was a success.

19th March 2022: CLEANLINESS DRIVE AND AWARENESS CAMPAIGN ON WASTE MANAGEMENT AND SANITIZATION

A cleanliness drive and awareness campaign on waste management and sanitization was organized and conducted by the Department of Sociology, Don Bosco College, Kohima on 19th March, 2022 at Khuzama Eden Garden (Orphanage Home). The students were accompanied by three lecturers: Sir George, Sir Velhou and Miss Rouziikriinuo. The campaign initiative was carried out by the students to create awareness about the importance of cleanliness and waste management and how everyone should do their part in keeping their surroundings clean through proper management of waste.

The main purpose of this programme was to create awareness regarding cleanliness and waste management as well as its benefits. Mr. Kerhiengulie Rutsa and Miss Rhurene of 4th Semester spoke on the importance of waste management, good hygiene and sanitation and gave ways as to how waste could be managed effectively (recycling, landfill, composting etc). They also stressed on the importance of proper waste management so as to retain a healthy life which is only possible through co-operation and combined efforts which would not only reduce pollution but also promote the development of a cleaner and greener society. After which, a mass social work was carried out by the 2nd and 6th Semester students.

The 4th Semester students also spent quality time with the kids which was a wonderful and heartwarming sight to see.

In addition, an amount of Rs.2000 was donated to the Orphanage Home on behalf of the Department.

The departmental field trip was a successful, wholesome and unique experience through which the students learnt a lot and earned another invaluable experience to carry forward in life.

REPORT ON 2nd DEPARTMENTAL ACTIVITY DEPARTMENT OF PSYCHOLOGY

The 2nd Departmental activity was held on 21st March, 2022. For the activity, the Department conducted a field visit to Tabitha Enabling Academy (TEA)- An Institute for children with special needs, Located at Sepfiizou Colony Kohima and run by two OTS Alumni VekutiluVese and AsanuoSeb, currently the headmistresses of the institution. TEA was established in the year 2012 and is an unaided non-profit organisation. It is now a full-fledged school functioning with 6 classrooms and 2 other rooms for non-teaching activities. The school has a total of 12 teaching and non-teaching faculties with 25 differently-abled students.

The aims and objectives of TEA are: Conscientizing the people that children with special needs are capable of living a normal life, providing equal opportunities for their development, providing programs for specific learning disabilities, dealing with challenges such as speech or language impairments, mental retardation, hearing and visual impairment, autism and down syndrome.

Some of the facilities available are: Physiotherapy, vocational training, craft making, pottery, occupational therapy/daily living skills, personal hygiene, home-based education, Indian Sign language, speech therapy and spiritual education through learning from the Bible, pictures and songs.

The students were made to visit the different classrooms and interact with the teachers and students as well as observe them. They also visited the vocational training room where few students with severe disabilities were made to engage in tailoring and stitching. It was observed that the vocational students were well trained and were able to stitch products such as shopping bags, aprons, hot-pot mats etc. The products they make are put to sale and 10% of the total amount goes to the student's welfare account. Our students also helped them by purchasing few products.

The students had a fruitful interaction with the students and teachers and also took down notes as they interacted. They also interacted with the headmistress and she stressed on the need for more trained special education teachers and the need to sensitize both parents and the community of the prevalent disabilities and also showing acceptance by providing love and care to children with special needs.

The Department of psychology had an enriching field visit which was both beneficial and informative. The department also provided fruits to the students and it was a memorable experience.
