Ref. No. KVSU/Gen/2023-25/35

Date... 08/03/24.....

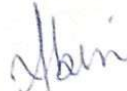

The Kohima Village Students' Union extends our heartfelt gratitude to the NSS Unit of Don Bosco College, Kohima for rendering yeomen service during the "Save Dzuvürü Campaign" on the 15th of June 2019 along the Dzuvürü stream from Mohonkhola to AG Colony, Kohima.

The enthusiasm and dedication displayed by the students and faculty members were truly commendable. Your collective efforts not only contributed to the overall success of the event but also made a significant impact on the cleanliness and aesthetics of the community. The Dzuvürü stream has become one of the most polluted streams in Kohima town due to rapid urbanization and uncontrolled dumping of waste on the stream.

The commitment to social responsibility and civic duty demonstrated by NSS Unit of Don Bosco College, Kohima is a shining example of their selfless motto "Not me, but you". The active involvement of your students not only reflects positively on the values instilled within your academic community but also showcases a commitment to creating a positive impact beyond the confines of the campus.

KVSU is grateful for the positive partnership with NSS Unit of Don Bosco College, Kohima, and we sincerely hope that this collaboration will continue to grow and flourish in the future. Your commitment to community engagement sets a standard that inspires others to join in creating a cleaner, healthier, and more vibrant community.
