## Report on Awareness Campaign

Department of History

4<sup>th</sup> Semester

Academic session 2022-2023

The department of History, Don Bosco College, Kohima, 4<sup>th</sup> semester students for the academic session 2022-23 were entrusted with the assignment to carry out awareness campaigns as an intrinsic part of their internal assessment project in an around Kohima town on 13<sup>th</sup> February 2023. The main purpose of the assigned project was to create awareness among the general population of the Kohima town. The awareness campaign was conducted in the wake of the assembly election of the state of Nagaland that was to be held on 27<sup>th</sup> February 2023. Therefore, the awareness campaign was centered around the state assembly election on various pressing social, political and other concerns afflicting the every-day lives of the common people and their inherent duty to influence the government of the day in the policy making.

The present 4<sup>th</sup> semester students of History department have a total of 39 students. The students were divided into four groups and each group was assigned to carry out the projects in four different locations or colonies around Kohima town. They were assigned with four different topics and were instructed to visit four to five households to carry out the awareness campaign.

### Group 1

## Report on Education 4<sup>th</sup> Semester Awareness Programme

Academic Session 2022-2023

The 4<sup>th</sup> Semester students from the department of Education, Don Bosco College Kohima were assigned to conduct 'Awareness Programme' as a part of their internal assessment project/Assignment in Kohima town on 13<sup>th</sup> of February 2023.

The objective of the assignment/project was to enhance the knowledge and be acquainted with specific area or topic selected in connection to the prescribed curriculum of B.A. Education. To enable students to explore, Investigate and develop an aptitude of problem-solving ability for better learning skill.

The present 4<sup>th</sup> semester has a total of 19 students. For the project, the students were divided into three groups. Different topic was assigned the groups and were instructed to visit households in the assigned colony, to interact, inform, discuss and collect feedback from the family members of the house visited. The following are the list of students as per the division of the groups, topics and locality.
