CC Cadet Yatile Semy of 5th semester, BA History Department from Don Bosco College, Kohima had got the golden opportunity to attend the YEP (Youth Exchange Programme) at New Delhi.

Yatile's overall Experience

The camp was for ten days and she met all the cadets from different places and it became hard for her as all of them spoke in Hindi. Though they spoke English, it was difficult for her as she was not very fluent in English. They had to speak Hindi. On the second day, she was the senior for the Nagaland team. There were two groups- SD and SW, SD was for the men cadet whose leader was Aloch Kumar Sharma from the state of Assam and she was the leader for the SW which was for the Nagaland team. It was the second time taking up the seniors so it was really challenging for her. She had the opportunity to meet many officers. She was very privileged to meet the leading force and other cadets and also the Director General Officer of NCC. The opportunity of the performance of the YEP (Youth Exchange Programme).

Her meeting with Prime Minister of India

NCC Cadet Semy said that though her meeting with the Prime Minister was not informed beforehand, she was informed about his arrival only when she reached the camp. She felt speechless as she was meeting the PM of India.

Her meeting with the foreign nation

The NCC Cadets participated from various countries. The other cadets were very fluent with their English and she felt more comfortable to interact with them. In the YEP program, different countries came with their performances but she was much more impressed with the Scottish presentation. According to her overall preference, she found the Scottish presentation far more better than the other performances of other countries.

Yatile's Personal Achievement

Yatile's personal achievement was that she had attended eight camps altogether. From January till the dated month August, she was able to cover up all the camps which she had missed during the COVID-19 pandemic. She further stated that her greatest achievement was to be a member of YEP camp.

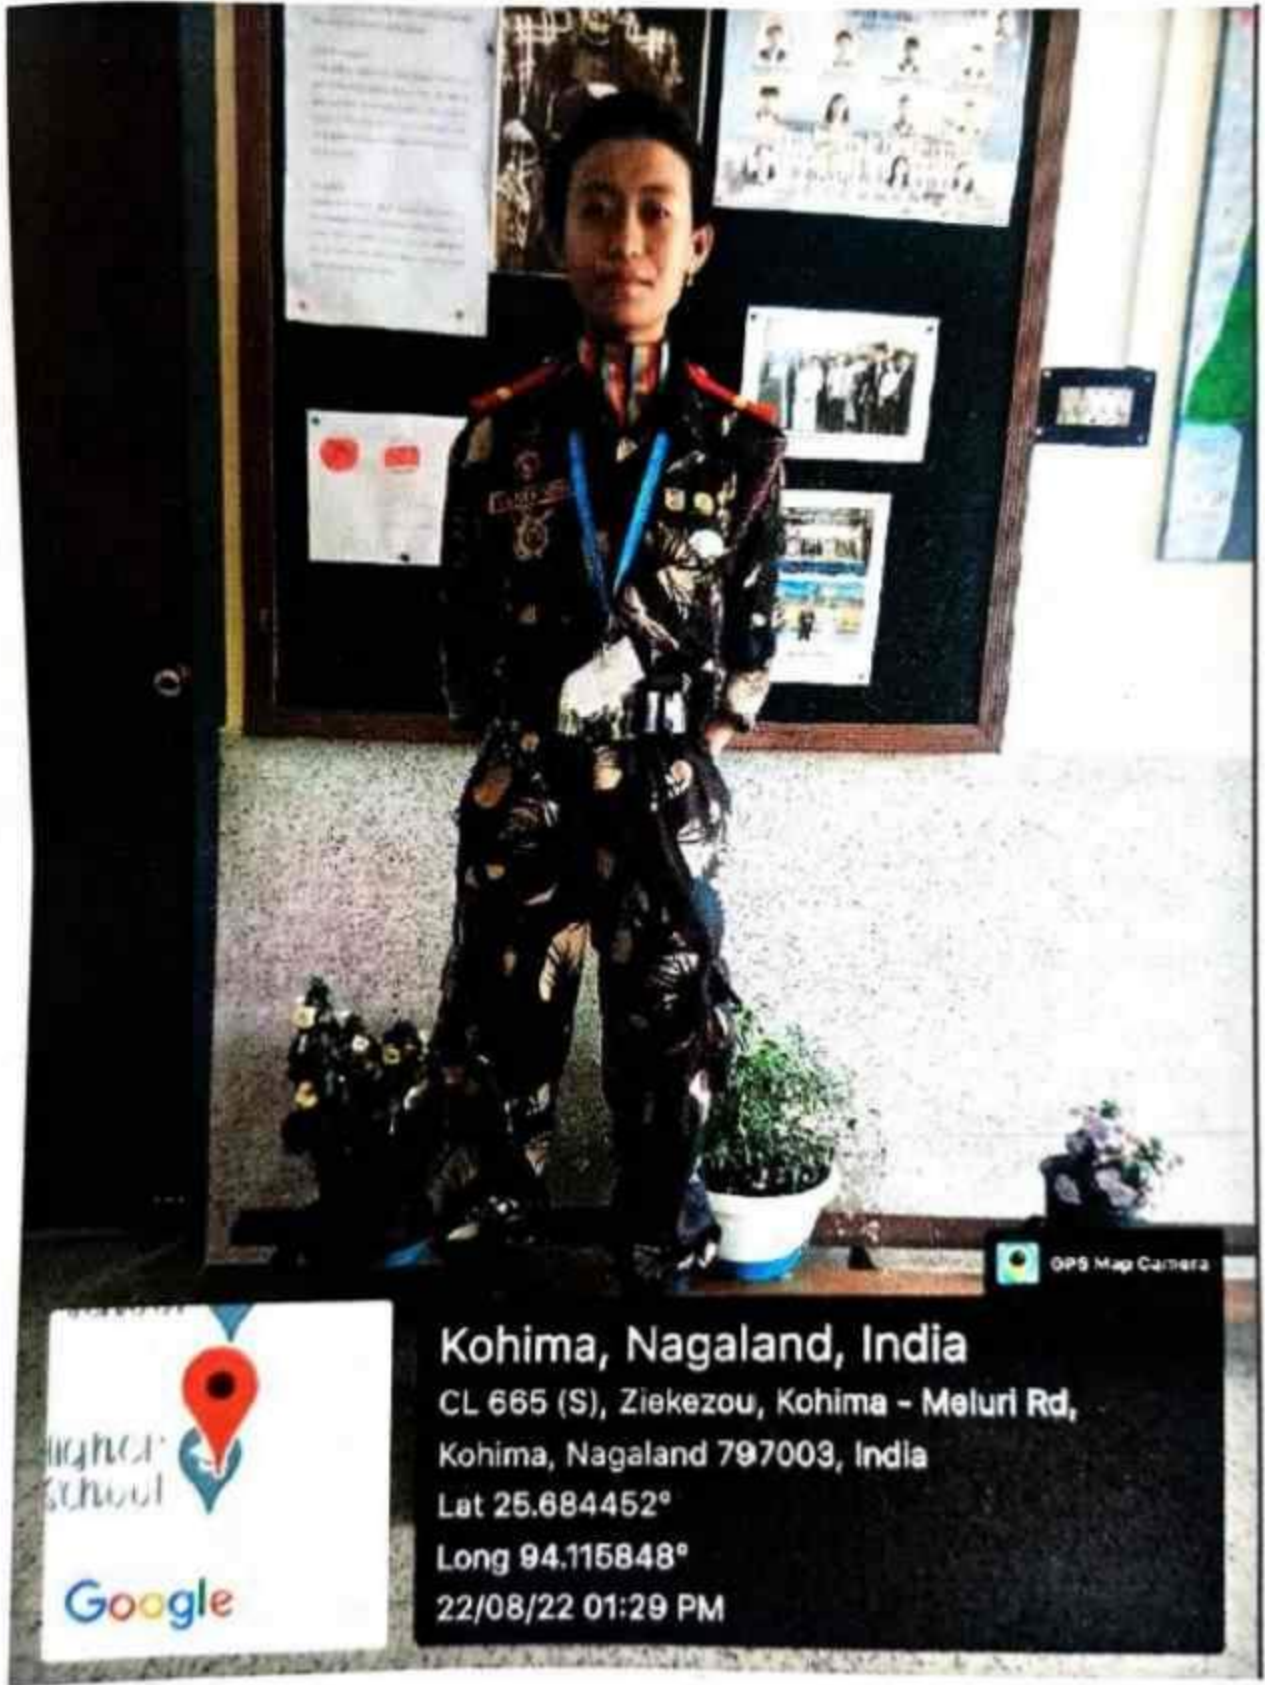

Meeting with the General of the NCC

Her meeting with the General of NCC and her impression of the General was that he was very inspiring which was very different than her expectation. He was quite friendly to them and the first meeting left a very funny experience. They were not given heads up about him and when they will have the meeting, so they were caught by surprise and had to attend to him unprepared.

Celebrating PRE-CHRISTMAS

With old-age people

The NSS club of DBCK holds its pre-christmas celebration on 9 December 2022 at old age home Meriema, kohima. The program was held with full of joy and happiness. The number of elders present in the old age home was about 21 members. They were taken care by the caregivers. All the elders were very happy and energetic, they were all surprised and active when we (NSS volunteers) met them for the first time and they welcomed us warmly.

The activities were carried out by the volunteers along with the elderly people by singing song like Christmas and Gospel songs with the elder people and also cooperating with them. The NSS-DBCK was somewhat the first to have a pre-christmas celebration with them, said by the caregivers and the golden-ager. Under the banner of NSS and DBCK college, led by Miss Sharon Khing, we gave them hampers and fruits which the golden-agers were so happy that they received their advance Christmas gifts from the NSS and Don Bosco college. The Golden-agers gave their blessing to all those who were present in their home and also prayed for everyone in this world. They were very happy to have us with them.

Overall the celebration of pre-christmas with the old age people was successfully concluded with love. They also invited us to come and meet them in the coming future.
