Notice concerning Advance and Slow Learners Committee

This is to inform all the staff and students of DBCK, that as per, NAAC Criteria 2 requirements, the college has already created remedial committee since 2015 to follow up slow learners. However, it is required to have another cell/committee on advance learners. Hence, the IQAC has initiated a new committee namely Advanced Learner Committee to be coordinated by Ms. Aloveley Aye (Tally instructor) and the existing Remedial Committee will be named as Slow Learners Committee and will be coordinated by Ms. Rokovino Lohe (NCC ANO).

The advance learner committee will include students excelling in academic and curricular field and the committee must organize the existing annual DBCK Quiz Time, leadership and skill enhancement programme and orientations for the students.

The slow learner committee will consist of students who are poor or average in their academic and curricular aspects and the committee will organize programmes such as motivational orientations, talks, assist in goal settings and targets, follow up the existing remedial programmes etc.

In addition to the above-mentioned activities, the appointed committees can further think of innovative ideas and programs as per the need of the identified students.

Further, the IQAC request the Examination Cell of DBCK to conduct entry level of learning test for all the semester students and analyse the results to help the committees in segregating the students initially.

Prompt action to this notice will be highly appreciated.

Thank you

NOTICE

The NAAC criteria 2.2.1 makes it mandatory for all the colleges to segregate the fast learners and slow learners. We in DBCK would like to implement it from this semester and the Controller of examination office will assist in this process. Thus all the honours paper teachers are requested to set 10 multiple choice questions or fill in the blanks or one word answer. Questions can be based on previous semester/present semester/ general knowledge and it should be tough. In this assessment, students who score more than 80% could be categorised as fast learners and those who score below 40% could be categorised as slow learners. Prior notification should not be given to the students regarding the test. It will be a sudden test for the students. Please email the questions to dbckexams@gmail.com on or before 27th February, 2022. Mr Kenei will prepare the questions papers and the test will be conducted along with the upcoming CIA test (4th March 2022). The test will be conducted in the first ten minutes and CIA test timing will be extended to 9.10 am and 2.10 pm for Shift I and Shift II respectively. The name list of fast learners and slow learners should be pasted in the Staff log book and a copy must be submitted at IQAC office. Fast learners will be followed by Ms Alovely and slow learners will be followed by Ms Rokovinuo. Please give your full cooperation for this urgent mission.

The last topic was taken by Mr. Pursungit Pongen about problem solving and its outcomes. He played a video for the students where they were asked to list out the things they have noticed in the video and they were divided into groups and given a certain time period for discussion after which their points and views were presented by one of the group representatives. He further pointed out the mistakes and changes to be done and how to deal with those mistakes in a positive manner and also to deal with those problems in a calm and constructive way. The programme ended by singing the College Anthem.

REPORT ON LEADERSHIP SKILLS WITH YOUTHNET SESSION-2

The second session of Leadership Skills organised by Advanced Learners Committee, DBCK in collaboration with Youthnet was held on 25th November 2021, Thursday from 9:00am to 12:00pm for the Students Forum, Class representatives and Vice Class representatives of DBCK.

The Resource Persons for the session-

Ms. Tsepila Zhimomi (Manager, Training and Talent Management, Youthnet)

Topic-

1. Telephone & Email Etiquette
Importance
Do's and Don'ts
Essential
2. Work Ethics
Definition
How to develop strong work ethics

The programme started with everyone welcoming the Resource Person and saying the Lord's prayer. Welcome note was given by Ms. Alovely Aye, Convenor of Advanced Learners Committee, DBCK. Review of last session was done by asking a few questions by the resource person.

The first topic of telephone and email etiquette was taken by asking the students how they approach a person through phone and whether it was the response received. The positive and negative responses received from the other end was based on the approach that was given by us. The do's and don'ts of both email and telephone on how to approach as a leader and an individual was also taught to them.

The essentials of telephone and email etiquette was based on how a leader orders or work as one of the individual of the group. They were divided into groups and asked to choose a group leader and was asked to list of 3 things they would take on an island along with the group. Based on the list and explanation why they would take only those 3 particular things they were judged by the resource person and later they were taught if they were correct or wrong in their decisions as an individual as well as a group leader.

Work ethics based on their role of a leader was defined to them based on their student life and how to develop strong work ethics. The session ended with thanking the Resource person and the Youthnet organization by Advanced Learners Convenor Ms. Alovely Aye and by singing the College Anthem.

The main objective of conducting the remedial class was to give additional help to the pupils who for one reason or the other, have fallen behind the rest of the class in their subjects of study. The remedial classes was initiated by the principal, Rev. Fr. Dr. P.Suresh, along with the assistance of the college staffs and the college librarian .Reasons for the student's failure in their studies may be many but, the college believed in the idea of making the children learnt at their best, accepting the individual differences, poor level of motivation, poor memory and other behavioural problem which they encountered from external environments and therefore , during the remedial classes, the teachers cleared the doubts by explaining the difficult topics which the students failed to comprehend in the day's lesson and also encouraged them for self-study. The idea of non-detention policy was kept in mind and so every efforts was initiated by the teachers to help the students avoid the consequences of failing in the next class test and model exam conducted in the college as well as the end semester exam which is conducted by Nagaland University.

The remedial classes proved fruitful in the end as the weak students who attended improved drastically in the next CA test, the Model exam and university exam.

Along with the college principal, following are the List of teaching and non- teaching staffs who assisted the students in the remedial classes -

1. REV.FR.DR. P.SURESH, PRINCIPAL
2. MISS MYINGTHUNGLO, Librarian
3. MISS YANTHUNGBENI KITHAN, Asst.Professor, Dept. Of Education
4. MRS PINKY SAGOLSEM, Asst.Professor, Dept. Of English
5. DR. KHRIENUO, Asst.Professor, Dept. Of History

REPORT ON 'MY DREAM MARKS'- REMEDIAL COMMITTEE ACTIVITY

The Remedial Committee DBCK conducted an activity emphasizing on 'My Dream Marks' activity to encourage the remedial students of all the semesters on 16th of February, 2022 Wednesday from 1:00 pm to 1:30 pm where students of all semesters participated actively.

Ms. Rokovinuo Convenor of Remedial Committee briefly explained the purpose of this activity and why it was initiated with importance for the remedial students. She explained that 'My Dream Marks' was to be taken as an important goal for each and every one of them not only for this semester but also for their upcoming days in their Academics.

The students were given two forms out of which one form was to filled up with the dream marks they would want to achieve and kept with them as a reminder to achieve their dream marks whereas the second form was to be filled up with the same format along with signature from the Principal and the Convenor of Remedial Committee. At the end of the Semester exams and results declaration the dream marks forms which are with them are to be compared with the end semester marks to check if they have achieved the dream marks or have to improve further if not achieved.

Report on 6th Semester Report

As an initiation from IQAC and Controller of Examination DBCK to improve the existing internal assessment mechanism of the college and also to break the monotony of student's assignment for internal marks, Project work or dissertation writing was implemented with the approval from the Academic Council DBCK. It was introduced for the 6th semester of B.A. Education, English, History, Sociology and Political Science, DBCK has undertaken project work as a part of their internal assessment of 30 marks total for the academic session 2022-2023. The objective of the project was to enable students to experience primary research ethics and introduction to research steps, it was also to enhance the writing skill of the students, to encourage creative writing and instigate the spirit of inquiry and discovery in the field of learning. All the 6th semester students with total 170 have undertaken the project and successfully completed with 15 dissertations. The topics of dissertations were extracted from the existing curriculum prescribed by the affiliating University.

Each department divided the students into different groups and each faculty from the department was appointed as a supervisor of each group. The time period provided to complete the project was 6 month as per the semester scheduled.

The following are the topics and details of the project undertaken.
