ACTION TAKEN REPORT

- IQAC analyzed the collected feedback department wise.
- Majority of the students rated the institutional efforts as good. However, it was decided to organize workshop of effective teaching learning management using ICT to enhance the TLM of the college.
- Practicability and fulfilling objective of the curriculum was rated average on majority. Hence the college decided to include more activity and skill-based activity at the institutional level per courses opted by students. However, at the university level, a letter to be sent to NU BUGS.
- As on availability of resources and materials, the college library needs to be expanded and infrastructure of the library to be augmented including reading rooms, sitting rooms, printed texts and e resources.
- The evaluation pattern was rated good by majority, however felt the needs, the college decided to change the mode and frequency of assessment and evaluation.

Date: 10/3/21

Notice

4th Academic Council Meeting

Meeting Minutes

Date: 11th March, 2021

Venue: Hall S-4

Time: 2:30 PM- 3:30 PM

The Agenda of the Meeting:

- Update on 3rd Academic Council Meeting conducted on 29th October, 2020.
- Evaluation of the Feedbacks received for the previous semester.

Procedure of the Meeting:

1. Dr. Pinky Sagolsem chaired the meeting. The meeting commenced after the prayer by Dr. Velhou Koza. Then Dr. Pinky Sagolsem read out the discussion on the agendas of the last meeting and the decisions taken on the proposed agendas.

Discussion on the Agendas:

- For the first Agenda the Council looked into the implementation of the newly set up committees. It was found out that because of the Covid pandemic and the introduction of the online class the concerned teachers were not able to formally set up the committees.
- For the second Agenda the council reviewed and compared the feedbacks given by the students on staff performances. The Council found out that the overall performances of the staff were relatively better in offline classes than the online classes. The Council identified the factors which were affected in online classes. They are:-

1. The teachers interest in the betterment of the weaker students
2. The valuation of the script
3. The valued answer scripts returned to the students on time
4. The teachers feedback on the students performance
5. The teachers maintenance of discipline in the class

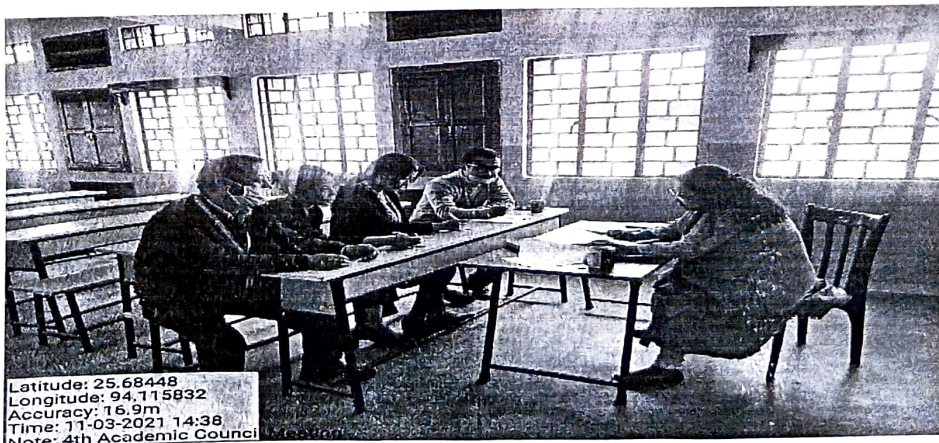

J. P. Sarmah
Principal
Don Bosco College
P.B. - 430
Kohima-797001 Nagaland

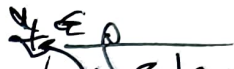

Decisions Taken:

- ✓ The Council to call for a meeting after the peer team visit with the staff who were given responsibilities to set up the new committees so as to direct and guide the concerned teacher in implementing the new committee before the next academic session.
- ✓ Though there are some factors which were affected in online class yet there are also many good things about online classes. In order to promote and encourage paperless classroom which actually correlates to the college aim of Clean & Green Campus to embrace both the online class and offline class in teaching.
