Report

The NSS Club of DBCK conducted the trash tag challenge on 6th June, 2019. The activity was carried out from Christ King Higher Secondary School to the gates of the Don Bosco College. In all about 102 students participated in the trash tag challenge. The activity was launched with a prayer led by Martin in Hall no 1. Due to the rain the work got a bit delayed. By 10.30 am the work started despite heavy downpour of rain. It did not relent the spirit and enthusiasm of the volunteers. All the volunteers dedicatedly carried out the work within the time slot allocated for the challenge. The work was completed by around 11.40 am. After that, all the students were gathered in Hall no 7 and were served light refreshment.
