

Report on Mentoring

The first mentoring session for the academic year 2025-26 was conducted on 8th, 14th and 22nd August for the 5th, 3rd and 1st semester respectively. The mentoring session were conducted in group. For the first semester they were given awareness on what they will expect and experience in the mentoring sessions. They were made to fill up their necessary details in the mentoring book. For the 3rd and 5th semester the mentor had a discussion with the mentees on

1. Study

The mentor asked the mentees about how their study was going on. They are asked if they are able to cope up with the class lectures. They were also asked whether they are following the class lectures.

2. Attendance

The mentor also told them to be regular in class. They were also informed that if their attendance is not reaching 80% then they will be hold back for 1 hour in the library to study.

3. Feedback of their subject teachers

The mentor made the mentees open up on their class room experience. They were asked if they want to give feedbacks on their subject teachers teaching style. The mentor collected some feedbacks. Feedback includes

- i. Too many unrelated activities in the class
- ii. Too fast in teaching
- iii. To support the teaching with PPT

Action Taken

The mentor discussed grievances raised by the mentees with the concerned subject teacher. The teachers were very happy to get suggestions from the students. They are ready to comply with the changes the students want in their teaching style.

All the mentees turned up for the mentoring session. It was a very successful mentoring sessions.
